

## **Biosketch of Prof. Dr. Andrea Rossi, MD**

Prof. Andrea Rossi was born in Genoa, Italy on 8/1/1967. He graduated *summa cum laude* in Medicine at the University of Genoa in 1991, and specialized in Radiology in Florence in 1998. In 2007, he was appointed Head of the Pediatric Neuroradiology division of the Gaslini Institute of Genoa. He is Contract Professor of Neuroradiology at the University of Genoa, and holds the national scientific qualification as Full Professor in Radiology and Neuroradiology.

Prof. Rossi is the current Secretary General of the European Society of Neuroradiology (ESNR), and was the Chairman of the Pediatric Neuroradiology Committee of the same society for the period 2008-2014. He also is the Vice President of the Italian Association of Neuroradiology (AINR).

He has organized the European Course of Pediatric Neuroradiology since 2008. He was appointed as Neuro Subcommittee Chair for ECR 2010, as Pediatric Neuro Scientific Chair for the XXI Symposium Neuroradiologicum (Taipei, 2018) and as President of the International Pediatric Radiology congress (Rome, 2021).

His scientific activity is focussed on Pediatric Neuroradiology and is composed of original papers (288 publications; 3715 total citations; *h*-index 34, source [www.scopus.com](http://www.scopus.com)), invited reviews, and books, among which “Pediatric Neuroradiology”, which he co-edited for Springer Verlag in 2005. He is Section Editor of Pediatric Neuroradiology for the journal “Neuroradiology” and sits in the editorial board of “Pediatric Radiology”.

Prof. Rossi is an active member of several scientific societies, among which ESNR, AINR, the European Society of Radiology, the European Society of Paediatric Radiology, the American Society of Neuroradiology, and the American Society of Neuroradiology. He is a Honorary member of the Belgian Society of Radiology, the Serbian Society of Neuroradiologists, and the Turkish Society of Neuroradiology.
